OUR DREAM PROJECT ON DEVIDAS ROAD
THAT EMBRACES BOTH AESTHETICS AND FUNCTIONALITY.

- TIMELESS:** A modern residential building should have a design that transcends trends and remains relevant for years to come.
- HARMONIOUS:** The architecture, interiors and landscaping should seamlessly blend together, creating a balanced and pleasing environment.
- EFFICIENT:** Energy - efficient features smart home technology and sustainable materials contribute to a well-designed building.
- ELEGANT:** Clean lines, thoughtful details and refined finishes elevate the overall aesthetic.
- RESILIENT:** A modern building should with stand environmental challenges and maintain its functionality over time.
- INNOVATIVE:** Incorporating cutting - edge design concepts, materials and construction techniques sets a modern building apart.
- CONNECTED:** Whether through communal spaces, technology or proximity to amenities, a modern residential building fosters connections among residents.
- ADAPTABLE:** Spaces should be flexible, allowing residents to customize and adapt them to their changing needs.

Elevating Perspectives Inspiring Visions

The building is a contemporary beauty, designed to stand tall and create it's own special space on the Devidas Road, by way of new lifestyle landmark.

The building has been purposefully planned giving you good frontage with scenic beauty, ample natural light and ventilation which will breathe new life and energy in your life.

The project boasts of higher specifications than being offered by many others in the industry. As an ardent follower of quality regime, the company and the management team is committed to take extra care to ensure that the final product will be delivered in good time with excellent workmanship that will be unmatchedable.

The flats are designed to be right sized with practically no wastage of space keeping Vastu Shastra in mind. The final product therefore, with modern amenities, quality premium fittings and rich finish will make your home a rock solid investment worthy of your dreams.

The car park has been planned with good ventilation, safe parking environment and a dedicated ramp, making your entry and exit in a jiffy without much wastage of time. Very convenient and lifesaving when you have to enter or exit in emergency moments.

Project Highlights

- Very close to metro station within a walking distance of about 7 minutes.
- Close proximity to both western express highway & the link road.
- Quite and friendly prime neighborhood.
- Ample expanse of greenery in front of the building by way of raj yoga garden, van vihar garden, jogger's park just across the road.
- Closeness to market place, banks clinics and school making it as a convenient hotspot reachable for every kind of day to day needs.
- Pure residential project with ample car parking facilities with unique ramp access to and fro.
- Project with highest ever and premium specifications compared to what is being offered in the vicinity.
- Project owned by large conglomerate with rock solid financial capability and managed by team of experienced technocrats including an NRI developer who has reputation for his rigid quality construction techniques and customer centric approach.
- User friendly, well designed right sized flats with ultra modern amenities and premium quality fittings making it a good and solid investment for the home of your dreams.
- Project has already commenced in March 2024 and is scheduled for completion much earlier than targeted 30 months.
